Hi Steve. After I sent that email below, Jesse let me know that he did not want me responding directly to Jen Opila. I did send the draft CIP to Chris Wardell per his request. I'll send you the draft CIP and our communication strategy right now...

I hope you are doing well too!

Hi Jennifer. Hope you're doing well.

I'm circling back to close the loop on these questions about the VB/I-70 CAG Jen Opila sent to us a while ago, and I wanted to check in with you about the specific language in the CIP. You were going to look at it relative to her questions and then send the related communications strategy, which I'd still like to see.

Thanks,
Steve
